"Deal not with things you know not." —Tennyson.

He was sandy-haired yet selected a suit of reddish mixture — "a beauty," he said. So it was, but not on him, as he acknowledged once the suit was on.

At a tailor's he would have selected that cloth, ordered it made, had to pay for it—then never worn it.

At the London a man can know just what a suit is going to look like when it's on him; just how it's made up; be absolutely sure of the fit, and be able to get his money back if he wants it. What we do for you in half an hour or so, a tailor takes a week or more, and then charges double.

COL. THOMPSON'S PROPOSITION FOR HAZARD'S BUILDING.

New York Amusement Manager Contemplates Having Chain of Playhouses Along the Coast, With Principal One in Los Angeles.

It was stated last night by one in touch with the subject that the well-known theatrical manager, Col. W. A. Thompson of New York, former owner of the Boston Lyric Opera Company, who arrived at the Rossmore yesterday, has an option on Hazard's Pavilion in this city, his purpose being, if the deal is closed, to remodel the old house throughout, and turn it into a fine theater.

Col. Thompson was quoted in San Francisco as saying that he intended establishing a line of show houses along this coast, the principal house to be in Los Angeles, and the venture to be backed by "Lucky" Baldwin, who has backed many a theatrical venture in earlier days in California.

Col. Thompson visited the Los Angeles Theater yesterday evening, and dined with several men interested in the local theatrical field.

HILL CLIMBING.

Food That Makes it a Pleasure.

"I have a large amount of laborious brain-forging work to do," writes a young lady from Richmond, Va. "After returning from my office, I have found myself so completely exhausted that I was unable to engage in any recreation or amusement."

"I tried several expensive tonics without effect, and finally noticing an advertisement of Grape-Nuts as a food recommended to brain workers, I purchased a package and tried it. I found it extremely palatable and after a week's use (two meals of it a day) I noticed a general improvement in my condition. The feeling of extreme exhaustion was growing less, and strength visibly increased."

"I began to put on flesh and felt ready to enter into the amusements of the other members of the family, and now, after using the food for eleven months, I am like a new person. I have absolutely no sensation of fatigue; my brain is clear; eyes bright; skin rosy and healthy, and my muscles have strengthened to a marked degree. I am now able to walk from the office home, a distance of 3 1/2 miles, up one of the steepest hills for which our city is famous, and to engage in any amusements that may come in my way, without any sensation of extra fatigue."

"I am also using your Postum Food Coffee with excellent results. My sister-in-law, who lives in Norwalk, Ct., writes me that she uses it food, and has not suffered from the distressing sick headaches she formerly had."

THE CITY IN BRIEF.

NEWS AND BUSINESS.

Biggest Receipts Yet.

The largest monthly postal receipts in the history of the Los Angeles post-office were for the month just passed, amounting to \$37,824.25, as against \$27,515.21 for October, 1931, an increase of \$10,309.04, or 37.5 per cent.

Reception to Filipino.

The Service Men of the Spanish War will tender a reception this evening to Kifano, who served as an officer in the Philippine army from the outbreak of the insurrection until the fall of Manila. The function will be held at the headquarters of Camp Meyer, No. 1204 South Spring street. Officers and members of Camp Meyer will be the hosts, and members of the G. A. R. and the public are invited.

Special Exhibits Today.

The special exhibit of Spanish mantillas and Philippine drawn work shown in the Correll room of the Chamber of Commerce will be repeated today by special request. In addition this will be part of a Mexican collection loaned by Mrs. J. Torrey Connor and the new Correll collection of Chinese and Oaxaca, which will be displayed for the first time. It has been pronounced indisputably of the highest quality.

Actor's Loss.

David Torrence, one of the actors with "The Strutters" company playing here, is sorely distressed over the loss of an alligator which he had purchased for \$100. The animal was lost Sunday afternoon between the Santa Fe depot and the Rossmore Hotel, where Mr. Torrence was en route in a transfer bus. The animal disappeared from the front seat of the vehicle, and efforts to recover it have so far proved futile.

Geological Folk.

Several members of the United States Geological Survey are visiting in Los Angeles on their way to the important work which will be undertaken along the Colorado River in California in the line of national irrigation. E. T. Perkins, who has the work in charge, has returned to the Van Nuys Hotel. Needles for a few days, and W. T. Turner of the survey is at the same hotel. Two other members, C. L. Nelson and J. B. Marshall, registered at the Westminster yesterday.

Bad Young Bolivar.

William Edward Bolivar, the Long Beach twelve-year-old boy who was locked up Sunday night on suspicion of being a burglar, was taken to his home in the beach town yesterday by Humane Officer Oliver. The boy was taken to his home, where he was found with a knife and a gun, which were taken from him. The boy's father, who is a well-known figure in the community, is reported to be a reform school.

An anniversary meeting of the Junior Order of United American Mechanics will be held in the hall at 1212 Broadway and Main streets on Thursday evening. There will be vocal and instrumental music and an address by Rev. Herbert J. Weaver, D. D., of Long Beach. Past State Counselor of Ohio, will be present and will make an address on the objects and principles of the order. A banquet will then be served in the banquet room, which has been handsomely decorated for the occasion by the Daughters of Liberty. Dancing will follow.

OIL MARKET FIRM.

Local Producers Keeping Grip on Their Surplus Product Pending Fate of Asphaltum Combine.

Conservative describes the condition of the local fuel oil market. Since the announcement that refiners of asphaltum in the State were attempting to form a consolidation, and that already prices of the refined product in this field had advanced at least 20 per cent, there has been a tightening in the oil market.

Conditions have become so tight that not a drop of oil is now allowed to escape, and prospects are that producers will continue to hang onto their unsold surplus until it has been settled whether or not the proposed consolidation is a go.

The committee appointed by the local refiners for the purpose of suggesting a plan for the proposed combine was at work yesterday, and will make its report at a meeting of refiners Thursday.

By far the most important quarter to be heard from is the north, as the fate of the combine probably rests on the decision of the northern refiners. If they refuse to come in, it will be impossible to obtain the cooperation of the Union Oil Company, and without that large producer of refined asphaltum the combine would be unable to control the asphaltum market of the State. The refiners of the north, however, are holding out, and the northern producers will hold out, believing that in case a combine is effected the Los Angeles field will reap the benefit without the trouble of cooperation. Their decision, it is expected, will be made known at the meeting to be held Thursday.

A backer of the combine stated yesterday that he had private advice from the north that the most encouraging, and he was confident that the scheme would be successful.

Refiners are standing firm by the price fixed, and are holding out for \$12 a ton for paving asphaltum, which marks an advance of from \$2 to \$4 a ton.

MISSOURI WANDERER.

Stout Boy from St. Joseph Wants a Home—Will He Find It in Los Angeles?

Earl Kenna, a stout boy of about 14 years, was picked up in the lower part of town yesterday by Officer Craig, and taken to the Y.M.C.A. with the purpose of finding employment for him.

Kenna arrived in the city from St. Joseph, Mo., on Sunday night, and since that time has been staying about the cheap lodgings east of Main street. He was still in the city yesterday, and as he carries excellent recommendations from St. Joseph, he is an other chance for some one to secure a good boy. He says his mother is dead and his father was killed in the war, so he struck out for himself, but during his two days in the city he has been unable to find anything to do. His last job was on a dairy farm and it is to be hoped that he may be able to secure employment of some kind here where boys are in demand at present. Some well-disposed person should call at the Y.M.C.A. this morning and take a look at him. The fact that he has \$20 in cash speaks in some measure for his providence, and being well dressed and neat and clean are other points in his favor.

THE TIMES' ANSWER TO THE DEBTS

WORKS OF THE GREEK POETS, DRAMATISTS AND PHILOSOPHERS.

THE CIVILIZATION OF GREECE WAS PRESENTLY A MATERIAL CIVILIZATION. HER RELIGION WAS POLYTHEISTIC. HER PHILOSOPHY WAS MATERIALISTIC. SHE DID NOT PRETEND TO BRING ANY RAY OF HOPE TO THE BURDENED HEART OF MAN, BUT SIMPLY GAVE HIM TO ENDURE THE INEVITABLE, AND RECOMMENDED AS AN EASY AND LAWFUL WAY TO ESCAPE FROM THE BURDENS OF LIFE. IT WAS A TIME WHEN THE QUESTION, "IS LIFE WORTH LIVING?" WAS ASKED WITH A PALPABLE ANXIETY. IT EVER, EQUALLED IN THE WORLD'S HISTORY.

THESE GREAT HISTORICAL MOVEMENTS HAD LEFT WELL-DEFINED DEPOSITS, WHICH SERVED AS THE FOUNDATION FOR THE UPWARD MOVEMENT ABOUT TO BEGIN. IN THE VERY DEEPER OF THE WORLD LAY A PART OF ITS HISTORY. THEY THAT ARE HUNGRY WILL WELCOME FOOD. THEY THAT ARE SICK WILL WELCOME THE PHYSICIAN. AN IMPORTANT POINT IS GAINED WHEN THE REAL WANTS OF THE MIND ARE RECOGNIZED. BUT THIS WAS ONLY A NEGATIVE RESULT. THE POSITIVE FORCES READY TO OPERATE WERE, HOWEVER, NUMEROUS AND POWERFUL.

ROMAN RULE. GREEK SPEECH. THE WORLD-WIDE EXTENT OF ROMAN RULE, COMBINED WITH ITS LIBERAL RECOGNITION OF ALL RELIGIONS AND OF ALL NATIONAL CUSTOMS AND RITES, MADE IT EASY FOR THE GREEK MIND TO ACCEPT THE ROMAN CONQUEST. THE GREEK MIND WAS NOT A STRANGE ONE TO THE ROMAN MIND. THE GREEK MIND WAS NOT A STRANGE ONE TO THE ROMAN MIND. THE GREEK MIND WAS NOT A STRANGE ONE TO THE ROMAN MIND.

IT HAS COME TO BE THE CONVICTION OF THE PROFOUND HISTORIANS, AND IT IS OVER THE BELIEF OF THE PIOUS HEART, THAT THE STREAM OF HUMAN HISTORY IS NOT A CHANCE CURRENT PUSHED ON BY A "FORTUITOUS CONCOMITANCE OF ATOMS," BUT A DEFINITE MOVEMENT, GUIDED BY SUPREMACY, BUT INCOMPATIBLE WITH A DIVINE WILL AND GOODNESS. AT THE SAME TIME THE CONVICTION IS FORCED UPON ALL CLOSE STUDENTS THAT SUFFICIENT GLIMPSES OF THIS PROVIDENTIAL DIRECTION ARE GIVEN TO SERVE AS A SURE BASIS FOR THE RELIGIOUS FAITH AND HOPE OF THE WORLD. IN STUDYING THE INTRODUCTION OF CHRISTIANITY INTO THE WORLD IT IS EASY TO BELIEVE THE "FALLACY OF LIES" THAT GOD SENT FORTH HIS SON TO BE MADE IN POLITICAL AND SOCIAL PREPARATION FOR THE INTRODUCTION OF CHRISTIANITY IN THE FIRST CENTURY OF OUR ERA, HOWEVER, NOT SO MUCH ISOLATED FACTS AS A DEFINITE HISTORICAL CONDITIONS. OF THESE PREPARATORY CONDITIONS WE NOTE:

FALL OF EGYPT AND BABYLON. THE GENERAL DEBAY WHICH HAD TAKEN PLACE BOTH IN EGYPT AND IN BABYLON, THE RELIGIOUS FAITH OF THE LEADING NATIONS OF THE WORLD. THE EARLY RELIGION OF EGYPT APPROACHED VERY CLOSELY TO A PURE MONOTHEISM. THE OLDEST BOOK OF THE WORLD, WRITTEN NEARLY FOUR THOUSAND YEARS BEFORE CHRIST, AT THE TIME THE GREAT PYRAMIDS WERE BEING BUILT, SPOKE OF THE DEITY AS ONE, AND BREATHED FORTH A SPIRIT OF PIETY AND REGARD FOR THE RIGHTS OF MAN THAT WOULD DO CREDIT TO THE PHILOSOPHERS AND PHIANTHROPISTS OF OUR OWN DAY. THE CIVILIZATION WHICH ACCOMPANIED AND FOLLOWED THESE EARLY BELIEFS IN EGYPT ACCOMPLISHED ASTONISHING RESULTS, WHICH ARE SEEN, NOT ONLY IN THE MONUMENTAL AND GLORIOUS HISTORY, THEIR FANATICAL DEVOTION TO THE TEMPLE AND ITS SERVICE AT JERUSALEM, BUT IN THE SPREAD OF THE "DIASPORA" THITHER TO ITS FEET FROM ALL PARTS OF THE WORLD SO THAT FROM THE SCENES OF THE CRUCIFIXION AND OF THE DAY OF PENTECOST THE JEWISH PILGRIM CARRIED THE GREAT FACTS WITH THEM TO EVERY PROVINCE AND CITY IN THE WHOLE WORLD. LATER, WHEN THE POPULACE OF THE AVANGUARD FOUND A READY HEARING IN THE INFORMAL MEETINGS, WHICH ARE EVERYWHERE HELD IN THE JEWISH SYNAGOGUES.

OFTEN THEIR MESSAGE WAS REJECTED, BUT MORE OFTEN STILL THERE WERE SOME ENLIGHTENED CONSCIOUS, WHILE THE GENERAL INFLUENCE OF THE JEWISH PREPARATION FOR THE RECEPTION OF THE PECULIAR SPIRITUAL TRUTHS OF CHRISTIANITY. THEY HAD CULTIVATED THE MYSTIC DOCTRINE OF THE DIVINE UNITY, AS WELL AS THAT OF THE SPIRITUALITY OF GOD. THEIR EXISTENCE EVERYWHERE WAS A PREPARATION FOR THE RECEPTION OF THE MESSAGE OF THE PREVAILING POLYTHEISM. TWO THINGS CONTRIBUTED BEYOND MEASURE TO THE SUCCESS IN PREACHING THE GOSPEL. THE FIRST WAS THE ROMAN CONQUEST, AND THEREFORE HAD THE FREEDOM OF THE EMPIRE. HE WAS A JEW, AND THEREFORE HAD ACCESS TO THE SYNAGOGUES, AND KNOW HOW TO APPROACH WITH CONVINCING ARGUMENT THE PEOPLE WHO SO DEEPLY LOVED DESTRUCTION OF JERUSALEM.

THE CULMINATION OF ALL THE EVENTS WHICH PREPARED THE WAY FOR THE SPIRIT OF CHRISTIANITY IN THE FIRST CENTURY OCCURRED IN THE DESTRUCTION OF JERUSALEM IN THE YEAR 70. NOT ONLY WAS THIS EVENT ONE TO "TAX THE SPIRIT" OF THE ROMAN ARMY TO THE UTMOST, BUT IT WAS ONE OF THE MOST TERRIBLE ON RECORD IN THE HISTORY OF THE JEWS OR OF ANY OTHER PEOPLE. THE DESTRUCTION OF JERUSALEM SHED A GLOOM OVER THE WHOLE WORLD, AND BLOTTED OUT THE JEWS AS A NATION FROM THE FACE OF THE EARTH. COMPLETE WAS THIS DESTRUCTION OF THE ORGANIC EXISTENCE OF THE JEWISH PEOPLE THAT IT WAS AS IF THE JEWISH PEOPLE HAD BEEN ERASED FROM THE END OF THE OLD RELIGIOUS WORLD AND THE BEGINNING OF THE NEW.

IN THEIR REJECTION OF CHRISTIANITY THE JEWS HAD COME TO THE GREATEST OF ALL OBSTACLES TO ITS SPREAD, THE POWER OF THE JEWISH PARTY IN THE CHURCH, WAS SO GREAT THAT THERE WAS IMMINENT DANGER OF ITS PERVERTING THE ENTIRE MOVEMENT, AND CRAMPING IT INTO THE HIBERNIAN FORMALISM OF THE ROMAN RITE. FROM THE DESTRUCTION OF JERUSALEM THE JEWS NEVER RALLIED AS A PERSECUTED PEOPLE. SINCE THE DESTRUCTION OF THE TEMPLE, THE JEWISH PEOPLE HAVE NEVER BEEN OFFERED IN THE HOLY PLACE; SINCE THE DESTRUCTION OF THE TEMPLE, THE JEWISH PEOPLE HAVE NEVER BEEN OFFERED IN THE HOLY PLACE; SINCE THE DESTRUCTION OF THE TEMPLE, THE JEWISH PEOPLE HAVE NEVER BEEN OFFERED IN THE HOLY PLACE.

THE SPREAD OF CHRISTIANITY. HEATHEN POETS AND PHILOSOPHERS UNITED WITH JEWISH RABBI IN BELIEVING THAT HOPE HAD TAKEN HER FLIGHT FROM THE EARTH. IN THE MIDDLE OF THIS GLOOM THE RISING STAR OF BETHLEHEM WAS ATTRACTING WIDER AND WIDER ATTENTION AND INCREASING IN BRILLIANCE THAT IT COULD NOT BE RECOGNIZED AS THE NEW HOPE OF THE WORLD. RECENTLY, HOWEVER, IT HAS SHOWN THAT THE SPREAD OF CHRISTIANITY IN THE FIRST CENTURY WAS MUCH MORE RADICAL THAN HAS BEEN SUPPOSED; WHILE THE LATTER OF THE ROMAN RITE, THE PERSECUTIONS OF CHRISTIANITY HAVE CLEARLY SHOWN THAT IN THE FAR-OFF PROVINCES OF THE BLACK SEA THE BENIGN INFLUENCE OF CHRISTIANITY HAD REACHED AMONG THE PEOPLE OF ALL CLASSES AND WERE PRODUCING THE RIPEST FRUITS OF PEACE AND RIGHTEOUSNESS AMONG THE COMMON PEOPLE AT THE BEGINNING OF THE SECOND CENTURY. AT THE SAME TIME EVIDENCE IS FORTHCOMING THAT ALL ALONG THE HISTORY OF THE ROMAN RITE, AND WIDE THROUGH THE HIGHER CLASSES, AND, INDEED, IN THE IMPERIAL HOUSEHOLDS OF THE EMPIRE.

WHEN AT THE PRESENT TIME ONE PERSUASION FAR THE WORLD, AND THE CHURCH EVEN, FALLS BELOW THE IDEAL OF CHRISTIANITY, HE IS LED TO WONDER WHY THE WORK, IF IT BE INDEED DIVINE, IS SO LONG IN BEING ACCOMPLISHED. BUT WHEN ONE REFLECTS UPON THE GROWTH OF THE TASK AND THE COMPLETENESS OF THE PLAN, AND REMEMBERS THAT THE "ETERNAL YEARS OF GOD ARE YEARS" HE WILL BE BOWED IN REVERENCE AND BE CONTENT TO LABOR AND TO WAIT.

G. FREDERICK WRIGHT.

BUT IT DOESN'T. Many Have the Erroneous Idea That Fat Makes Fat.

One Reason of Cod Liver Oil's Popularity. Nevertheless a Decidedly Wrong Impression.

FAT TAKEN INTO THE STOMACH DOES NOT MAKE FAT. THOUSANDS OF PHYSICIANS HAVE PRESCRIBED COD LIVER OIL FOR "WASTING DISEASES," AND TROUBLE THAT SHOWS THEMSELVES IN A DECLINE OF WEIGHT. PHYSICIANS KNOW THAT THE FAT OF GRASS IS NOT WHAT IS NECESSARY TO MAKE FAT OF THOSE. THEY ALSO KNOW THAT IT IS ONE OF THE MAIN THINGS THAT MAKE COD LIVER OIL IMPROVED IN MANY CASES. THE FAT IS TOO RICH TO BE DIGESTED BY A STOMACH WEAKENED BY DISEASE.

WHEN COD LIVER OIL IS GIVEN, THEN THE OIL PASSES FROM THE BODY IN EXACTLY THE SAME MANNER IN WHICH IT IS RECEIVED. THE REASON DOCTORS PROMOTE COD LIVER OIL IS THAT IT CONTAINS CERTAIN CURATIVE PRINCIPLES. IT IS TO TAKE ADVANTAGE OF THESE CURATIVE PRINCIPLES THAT THEY HAVE SO OFTEN TRIED TO FORCE THEIR PATIENTS TO TAKE THIS HORRIBLE, GREASY, VIOLENT, SMELLING REMEDY.

THERE ARE BUT FEW PEOPLE WHO HAVE NOT HAD EXPERIENCE IN THE USE OF COD LIVER OIL. IT IS TO TAKE ADVANTAGE OF THESE CURATIVE PRINCIPLES THAT THEY HAVE SO OFTEN TRIED TO FORCE THEIR PATIENTS TO TAKE THIS HORRIBLE, GREASY, VIOLENT, SMELLING REMEDY.

First Western Branch of These Eminent Physicians

Seven Specialists Who Treat Successfully all Stubborn, Chronic and Severe Diseases of Men and Women.

Owing to the importance of Southern California as a health resort, the Anglo-American Physicians have decided to make Los Angeles headquarters for their well known organization. The physicians have institutions in several of the great Eastern cities, where their methods and success in curing disease has given them a world wide reputation. Many sufferers in Southern California, Arizona and Mexico have already received treatment by mail from the Eastern offices of these doctors. Their reputation is therefore well established in the Southwest. Seven eminent specialists will comprise the staff, each one recognized as authority on particular classes of disease.

This institution is the first of its kind in Los Angeles, and it is the first opportunity Los Angeles has had to receive treatment by the most skilled surgeons and physicians in the world, in their own city.

The Anglo-American Doctors never experiment. After a patient has been examined they know just what to do, how to cure him. No incurable cases are ever undertaken. If the applicant cannot be benefited he is so informed. The physicians charged are always reasonable and the terms within the reach of all. Their long and successful experience in curing men and women guarantee you a positive cure in all curable cases. If they cannot cure you they will not take your money.

Doctor Gross, the specialist for men only, of the Anglo-American Doctors, has devoted twenty-seven years of his life to relieving men of the many ailments peculiar to their sex, such as Nervous Debility, Lost Vitality, Blood Poison, Varicose, etc. Many suffering men have tried in vain to regain health by coming in contact with men who have not the proper qualifications. Dr. Gross has made men out of debilitated wrecks. There are various causes such as early indiscretion, over-work, over-indulgence, Dr. Gross has cured thousands of cases by his great remedy "Gout Lymph." We can refer you to many reliable and leading men in this country, who have been totally restored and have given permission to use their names in order to convince sufferers, who have been duped heretofore.

Dr. Gross is so confident of his ability to cure that if you wish treatment you may deposit your money with any reliable business man or bank, to be paid to him when you are cured.

Dr. Gross also has a remedy for blood diseases, whether in the first, second or third stage, which is a positive cure. It is now used by the government and has already cured some cases of leprosy. It is harmless, pleasant to take and has so far proven itself a positive cure.

**HIS MANIA
FOR MURDER.**
Alan G. Mason Accused of Awful Crimes.

Struck Down Victims
With a Bludgeon.Member of Prominent Family
and a Graduate of Harvard College.

(BY THE ASSOCIATED PRESS.—AM.)
BOSTON, Nov. 4.—In connection with the fifteen murderous assault cases which have occurred in Cambridge, Brookline and Somerville in the last few months, two of which resulted fatally, the State police today arrested Alan G. Mason, of Boston, a well-known and wealthy business man, a member of the police, a manufacturer of musical instruments, a prominent clubman and a Harvard graduate. The police suspect from evidence in their hands that Mason has been involved in nearly all the cases referred to, as the circumstances have been similar. He has been a victim of mental trouble, for which he was treated at the McLean asylum at Waverly. About a year ago, he was permitted to leave the institution. Since that time, it is said, he has been permitted to go and come at will, and the fact that he had been frequently seen about the localities in which the assaults occurred, led to suspicion against him.

The peculiar assault cases which have occurred in Cambridge and vicinity, as well as other suburban sections, began last June. During the summer there were half a dozen victims of an unknown assailant, each of whom was struck down and beaten with a blunt instrument. Early in October, Miss Agnes McPhee was assaulted in Somerville on the night on which Miss McPhee was fatally injured.

The priorities of about 20 years of age, and is the son of the founder of the firm of Mason & Hamlin, organ and piano manufacturers. He was graduated from Harvard in 1882, and entered the firm of which his father was head. Mental troubles developed within a few years, and he was in Somerville on the night on which Miss McPhee was fatally injured.

In 1887, however, symptoms of serious mental trouble were developed, and as he had threatened his mother and brother he was sent to Waverly for the third time. He remained there for three months. Since then he has been free, and has been a stock-taker at the Mc-

Lean asylum at Waverly. About a year ago, he was permitted to leave the institution. Since that time, it is said, he has been permitted to go and come at will, and the fact that he had been frequently seen about the localities in which the assaults occurred, led to suspicion against him.
